

Data Handling

Name: _____	Class: _____
Date: _____	Score: _____

1. Read the class chart

A class voted for a favourite fruit.

Apple: 6	Banana: 4	Mango: 8	Orange: 3
----------	-----------	----------	-----------

2. Answer from the data

Which fruit got the most votes? Which got the least?

Most: _____ Least: _____

3. Compare

How many more votes did mango get than banana?

$8 - 4 = \underline{\quad}$

Data Handling - Practice

Name: _____	Class: _____
Date: _____	Score: _____

4. Make a tally

Ask 10 classmates their favourite colour. Record the answers with tally marks.

Red: _____	Blue: _____	Green: _____	Yellow: _____
------------	-------------	--------------	---------------

5. Make a picture graph

Draw one star for each child who chose your most popular colour.

Picture graph

6. Think about data

Why do we collect data?

- ☐ To answer questions ☐ To decorate the page
